

## **This home practices social distancing to keep our family safe**

---

If you are showing any symptoms of COVID-19, even if you have allergies or a cold, let's set up a time to talk on the phone instead. Better safe than sorry.

Coming in? We love you but please don't kiss, hug or high-five anyone in the home.

Please wash your hands right when you come in.

Have a delivery? Please leave it outside the door.

Find COVID-19 recommendations for the ALS community and emergency information at [iamals.org](https://iamals.org)
